Re: IMMEDIATE RETURN TO COVID-19 EXPOSURE AND CONTROL PLAN

Due to the recent rapid rise of COVID-19 cases within NACL, **we are reverting back to our COVID-19 Exposure and Control Plan** – and all its stated protocols – **effective immediately**.

The most recent version of the Plan (dated February 10, 2022) is attached with this memo, and both will be posted on our website and ShareVision ASAP.

We will reassess this one month from today (September 15, 2022). Thank you for your patience and understanding.
