**To:** Agency-Wide/NACL Board of Directors

**From:** Randy Humchitt, Deputy Executive Director

**Date:** September 14, 2022

**Re:** IMMEDIATE RETURN TO COMMUNICABLE DISEASE PLAN

Effective immediately, NACL is returning to our Communicable Disease Plan (CDP) – with all procedures/protocols applicable therein. Attached is the version of the CDP released in June 2022, just to refresh everyone.

Should the need occur to reinstate the full COVID-19 Exposure and Control Plan (ECP), we will inform you immediately.

Thanks so much again for all your support and hard work as we continue to navigate the latest stages of the COVID-19 pandemic!
