Re: CORONAVIRUS (COVID-19) UPDATE

In today's BC COVID-19 Update, Provincial Health Officer Dr. Bonnie Henry indicated that, effective March 11, 2022 at 12:01 a.m., the mask mandate is being lifted for most indoor settings. At this point, this will not be applicable to NACL; staff must continue to wear masks while on shift per the COVID-19 Exposure and Control Plan.

We will be exploring the implications of keeping/removing masking requirements in NACL programs and residences over the next week, and will relay the decision on this matter in our agency-wide COVID-19 memo next Wednesday, March 16th.

Thank you.
